Dear Parents,

This term, there will be an opportunity for parents and carers to train as a classroom helper. The 40 minute session will help you to gain an understanding of the variety of learning experiences students engage with every day and how you can be part of this. It will train you in providing support for small groups of students and also enable you to act as a role model when working with students in class. We will be offering a choice of two sessions;

- Monday February 23\textsuperscript{rd} at 9 a.m.

or

- Tuesday February 24\textsuperscript{th} at 2:15 p.m.

The classroom teachers look forward to having helpers in the classroom. It is an opportunity to share in the educational development of your child. If you have any questions about the session, please contact me at school. Please complete the slip below and return it to school by Friday, February 20\textsuperscript{th}.

Yours sincerely,

Marita Martin (Learning & Teaching Co-ordinator)
