Reflection

Next Wednesday is Ash Wednesday. Ashes are what remain after a fire has gone out. They are a symbol for us - of death and of grief. Many Christians today receive a cross of ashes on their foreheads. This cross of ashes signifies that we are blemished; we are not perfect; that a fire has gone out in us too and needs to be rekindled. This cross of ashes signifies that we are ready to change, and to make efforts to set our lives firmly on the way of Christ. In Australia this summer we have seen fire, we have seen ashes yet we have also seen new growth and experienced

Dear Families

At the start of the year it is necessary to consider the importance of daily attendance at school for each child. Victorian law states that attendance is compulsory for young children unless there is a medical or personal reason for not attending. Missing one day a fortnight is the same as missing 4 weeks of school a year. From Prep to Year 12 that adds up to 1.5 years of school and will have a huge impact on your child's education. A signed note, phone call or notification via the Skoolbag app must be received by the school for each absence. Enclosed in this newsletter is a poster published by the Department of Education on school attendance. Equally as important as daily attendance is arrival at school prior to 9am. Children who arrive after the school day commences are missing important social interactions with their peers as well as vital initial instruction from their teachers which sets up the remainder of the day. We ask your assistance in ensuring that your child arrives at school on time each day.

EVERY DAY COUNTS
Primary school attendance

Each morning our school yard is supervised from 8:30am until the bell rings at 8:50am. Children should not be arriving at school prior to this time as the yard is unsupervised; there are also staff, and parents using OSHClub, driving into the carpark and this is a safety issue for your child. If you do need to leave your children at school early they should be registered and signed in to OSHClub. All children enrolled in OSHClub will be sent into the yard once supervision begins at 8:30am. OSHClub runs each morning and afternoon in Portable W at the end of the asphalt area. Parents can book their child into OSHClub online or obtain a brochure from the school office. It is a good idea to enrol your child into OSHClub if you think you may need the service throughout the year. You will not be charged unless you use the service but if you do need to use it in an emergency your child's information will already be in the system.

As many of you already know we use CareMonkey for ensuring that we have current and up to date information about your child, this program also allows us to share excursion notices with you electronically. All new families have been asked to create and share your child's profile with us. If you have not done this already please do so as a matter of urgency so that you do not miss out on important information.

At the end of 2019 Kristie Browning, our Wellbeing Leader moved on to another school; we are looking for a replacement but have been unable to do this as yet. In the meantime Mrs Iacovinno will support children, families and teachers in Prep - Year 2; Mrs Caroline Madigan will support children, families and teachers in Year 3 - Year 4 and I will do the same for children, families and teachers in Year 5 - Year 6. Please do not hesitate to contact us if you have a concern regarding your child.

Have a great weekend everyone

CURRICULUM FEE

The curriculum fee for 2020 is \$350 per child. This covers booklists, all incursions and excursions (apart from sports events) art materials, physical education equipment, mathematics equipment, readers and literacy games as well as all other curriculum materials. We ask all parents to pay this fee as soon as possible. Statements will be sent out in the coming weeks.

In primary school, some students **miss** on average **3 weeks** of school **per year**. That's **half a year** of school by the end of **year 6**.

EVERY DAY COUNTS

Primary school attendance

Going to school every day is the single most important part of your child's education. Students learn new things at school every day – missing school puts them behind.

Why it's important

We all want our students to get a great education, and the building blocks for a great education begin with students coming to school each and every day.

If students miss school regularly, they miss out on learning the fundamental skills that will set them up for success in the later years of school.

There is no safe number of days for missing school – each day a student misses puts them behind, and can affect their educational outcomes.

Each missed day is associated with progressively lower achievement in numeracy, writing and reading.

Getting in early

Attendance patterns are established early – a child regularly missing days in kindergarten or in the early years of school will often continue to miss classes in the later years, and receive lower test scores than their classmates. It's vital that students go to school every day – even in the early years of primary school.

What we can do

The main reasons for absence are:

Sickness – There are always times when students need to miss school, such as when they're ill. It's vital that they're only away on the days they are genuinely sick, and setting good sleep patterns, eating well and exercising regularly can make a big difference.

It's vital that holidays are planned during school holidays where possible, and not during the term if it can be avoided.

"Day off" – Think twice before letting your child have a "day off" as they could fall behind their classmates – every day counts.

Truancy – This is when students choose not to go to school without their parent's permission. There can be many reasons for truancy. The best way to address this is for schools and parents to work together.

If for any reason your child must miss school, there are things you can do with your school to ensure they don't fall behind:

- Speak with your classroom teacher and find out what work your child needs to do to keep up.

- Develop an absence learning plan with your teacher and ensure your child completes the plan.

Remember, every day counts. If your child must miss school, speak with your classroom teacher as early as possible. Openly communicating with your child's school about all absences is a good way to prevent attendance issues being escalated to a School Attendance Officer. A School Attendance Officer is a Department of Education and Early Childhood Development Regional Director who has authority to follow up attendance issues. Attendance issues that are escalated can lead to an Infringement Notice.

If you're having attendance issues with your child, please let your classroom teacher know so we can work together to get your child to school every day.

- ♦ Sacrament of **Eucharist** Year 4 - Saturday, 13th June

Parent Helpers

This term, there will be an opportunity for parents and carers to train as a classroom helper. The 30 minute session will help you gain an understanding of the variety of learning experiences students engage with every day and how you can be part of this. It will train you in providing support for small groups of students and also enable you to act as a role model when working with students in class.

We will be offering a choice of two sessions;

- **Monday, 24th February at 9:00am**

Or

- **Monday, 24th February at 2:30pm**

The classroom teachers look forward to having helpers in the classroom. It is an opportunity to share in the educational development of your child. If you have any questions about the session, please contact the school.

Please note that if you completed this session last year there is no need to attend a session again this year however, you will still need to send back the form if you wish to assist in classrooms. Forms Can be collected from the school office.

A message from the Coordinator

Hello Families,

This week has been a fantastic week! After having discussions with the children last week, letting them know we really value their opinions and feedback for the service, we have been able to implement their interests and create some amazing experiences for them.

The weather has been interesting lately, going from extremely sunny days, to lots of rainfall, thunderstorms and muggy heat. Although, this has been the case, we still require the children to have a hat during terms 1 and 4. If your child has a spare hat at home, we are happy to store one at the service with their names on it to ensure the children have their hats each time they attend. This avoids the children forgetting them and missing out on outdoor play. So please have these discussions with your children and send them to the service with a spare hat. Alternatively, the children will be asked to go back to their classrooms after school to retrieve their school hat.

Additionally, we really enjoy engaging in recycling and sustainability practices and like to use recycling items in our play at the service. Therefore, if you have any recycled items such as plastic bottles, bottle tops, egg cartons, cereal boxes, cardboard etc. Please feel free to bring them in to the service and we can utilise them here 😊

Have a great week!

Program Coordinator

Allison Parr

OSHClub News

This week has been another fun and exciting one, exploring different activities and experiences at the service.

Highlights of this week include engaging in water play outside, using nature in our craft to make leaf people, working in pairs to make our expectations posters and creating an amazing bottle cap mural for our OSH room. Moving into next week, we thought we had an opportunity to explore and learn all about different weather patterns as we have been experiencing a lot of change in the weather lately. The children have also suggested we have a go at a few science and stem experiences such as the coke and Mentos rocket, the skittles science activity and making stress balls. We look forward to exploring and engaging in loads more fun 😊

Please see below some photos of the experiences had this week.

How does a User create and share a Care Profile?

There are two ways Profile Owners (i.e., parents, adult club members, adult participants, employees, etc.) can create a Care Profile:

- Creating a profile by using the invitation sent by the organisation
- Creating a profile directly on the CareMonkey website

CREATING A PROFILE BY USING THE INVITATION SENT BY THE ORGANISATION

1. When an Organisation requested you to create a profile, an email invitation will be sent to you

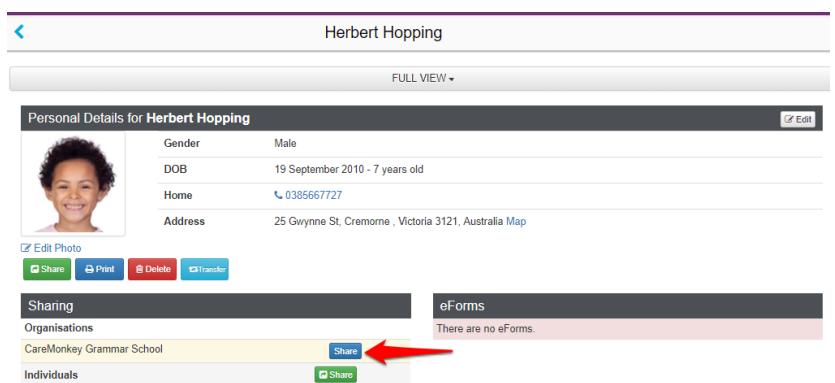

2. Click on **Create CareMonkey Profile** and fill out the form.

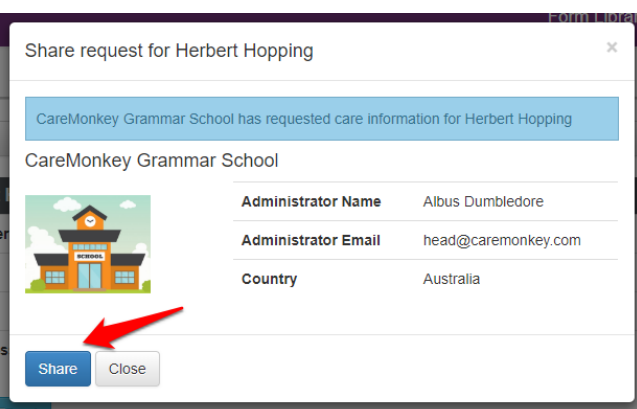

3. Once profile has been created click on the profile name or photo.

4. You will see a list of the organisations with pending sharing requests in the **Sharing** section. Simply click on **Share** to give view access to that organisation.

5. Click **Share** in the confirmation window that will pop-up.

We are SunSmart - a note for families

Too much UV can cause sunburn, skin and eye damage and skin cancer.

UV damage accumulated during childhood and adolescence is associated with an increased risk of skin cancer later in life. Skin cancer is the most common cancer in Australia.

You can't see or feel the sun's UV so don't be fooled. Whatever the weather, if the UV levels are three or more, it's important to **Slip, Stop, Slap, Seek** and **Slide!**

Our school aims to protect children and staff from too much UV to help minimise future skin cancer risk. We are a registered member of the Cancer Council Victoria's SunSmart Program. Please help support our SunSmart membership by ensuring your child follows the SunSmart measures included in our policy.

During the daily local sun protection times (issued whenever UV levels are 3 and higher), use these 5 SunSmart steps – even if it's cool and cloudy.

1. **Slip on a shirt** - for free dress days, ensure your child wears clothing that covers as much skin as possible (e.g. elbow length tops with a higher neckline or collar and longer style shorts or skirts). Densely woven fabrics are best.
2. **Slap on SPF 30 (or higher) broad-spectrum, water-resistant sunscreen** – apply a generous amount of sunscreen at the start of the day and make sure children have sunscreen in their bag ready to be reapplied throughout the day. Sunscreen should be reapplied every two hours. Please ensure they get plenty of sunscreen application practice at home so they'll be all set when they are at school.

3. **Slap on a hat** – one that protects the face, neck and ears such as a broad brimmed, legionnaire or bucket style hat. Peak caps do not offer enough protection and are not recommended by SunSmart. Please help your child remember to bring and wear their approved hat.
4. **Seek shade** – choose shady spots for play whenever possible.
5. **Slide on some sunglasses** - if practical and approved by the school. Make sure they are labelled AS 1067 and cover as much of the eye area as possible.

Sun protection times

Don't just wait for hot and sunny days to use sun protection. Check the sun protection times each day so your family can be protected when they need to be.

Daily local sun protection times and weather details are available from the SunSmart widget on our school website, in the weather section of the newspaper, on the SunSmart website at sunsmart.com.au and as a free SunSmart app. Sun protection times can also be found at the Bureau of Meteorology website and live UV levels are available from ARPANSA.
