St Catherine of Siena Catholic Primary School

2027 School Fees

What's inclusive of the School Fees?

The annual school fees at St Catherine of Siena Primary School include all excursions, incursions, personal learning devices, stationery, camps and administration costs. School photos and school uniforms will be at an additional cost to you. Please advise us if you have a current healthcare card, pension card or immigration card, as this could further reduce the cost of your school fees.
